Questions? No problem! Email us at employment@tpcg.org.

ESSENTIAL FUNCTIONS

- Service and maintain vehicle and equipment by changing oil; checking fluids; replacing filters; checking belts, hoses, and other movables; and performing minor electrical and mechanical tasks.
- Transport various tools, equipment, supplies, etc. to ensure required materials are available at a given job site.
- Inspect and service buses and vehicles to ensure they are in safe operating condition and schedule preventative maintenance.
- Respond to emergency situations to resolve any immediate safety concerns.
- Maintain inventory and control. Maintain facilities by removing debris and litter, sweeping floors, and maintaining a clean work area.
- Maintain and repair heavy equipment (buses, lifts, trucks, vans, etc.) to ensure the availability of equipment in safe operating conditions.
- Perform other duties as assigned by supervisor.

GENERAL REQUIREMENTS

- Possess specific skills such as operating equipment used in bus maintenance, planning and managing projects, and preparing and maintaining accurate records.
- Be able to read instructions, applications, maintenance forms, manuals, and memos; write reports and charts; and perform general math calculations.
- Be willing to attend paid training sessions on weekends or other days, as required by the Transit Division.
- Be able to pass random drug tests as required by the U.S. Department of Transportation regulations.

EDUCATION, EXPERIENCE, AND LICENSES

- High school diploma or GED certificate required.
- Job related experience with certificate required.
- Possess and maintain a valid Louisiana Class B commercial driver's license (CDL).
