

## CHAPTER 2 PUBLIC PARTICIPATION EFFORTS

Representatives from the Terrebonne Parish Consolidated Government's Planning and Zoning Department and the Vision 2030 project consultant team (Providence, Franklin Industries, Brown + Danos, and Morris P. Hebert, Inc.) joined together to provide public meetings for Phase III of the Terrebonne Parish Comprehensive Plan Update project. Franklin led the public involvement portion of this project. As such, Franklin's role on this project included media relations, social media efforts, engagement exercise development, database development, grassroots promotions and venue logistics coordination to facilitate project access on a widespread basis. Franklin also provided staff to facilitate interactive exercises at the kickoff meeting and all community meetings in Round 1.

This chapter provides a comprehensive review of efforts made to engage the public in this critical component of the overall planning process.

### **Parish-wide Kickoff**

**Monday, May 16, 2011**

**Houma-Terrebonne Civic Center**

**6:00 pm**

**44 attendees**

Prior to conducting this parish-wide meeting, Franklin worked with the parish staff to develop

project information (including an overall project timeline for the public) for the parish **website** and a project-specific **email** address for ease of communications with the public, and assisted in creation of a project-specific **logo** for branding purposes. A stakeholder database of 239 community leaders was developed for use in email communications.

In preparation for the kickoff event, Franklin developed a **video flyer** and met with the project Steering Committee to share information about the public involvement strategies to be used. Additionally, Franklin initiated and maintained a project-specific **Facebook** site utilizing event invitations for specific meetings and capturing comments online at [www.facebook.com/terrebonneplan](http://www.facebook.com/terrebonneplan) which reached more than 1,300 friends by mid-May 2012. A print advertisement was purchased for publication of the event flyer through the newspaper on May 4, 2011. This Comprehensive Plan Update represents the first time social media, such as Facebook, have been used to effectively communicate with citizens during the planning process.

**Promotional flyers** containing information about the parish-wide event in May 2011 were shared with the Steering Committee and with all public school students in April. Prior to the kickoff meeting, Franklin developed a full slate of Round 1 meetings to be offered at sites throughout the parish, and created a promotional flyer and postcard listing the dates and times of the meetings to allow residents sufficient time to plan for participation at the summer's round of meetings. In total, 18,000 flyers were printed to distribute via school students. Additionally, at the May kickoff meeting, 5,000 promotional **postcards** listing the summer's Round 1 meetings were distributed to participants so that they could be placed at appropriate sites throughout the parish.

Email reminders included the following emails sent to the project database:

- May 4, 2011 – encouraging participation at May 16 kickoff meeting
- May 13, 2011 – reminder about May 16 kickoff meeting and posting of video flyer
- May 19, 2011 – reminder of upcoming meetings during the summer and posting of presentation from May 16 meeting

**Terrebonne Parish Vision 2030 Comprehensive Plan Begins**

HOUMA - As the parish gears up to begin gathering community input to the Terrebonne Parish Vision 2030 Comprehensive Plan, community residents are urged to get involved and to stay informed.

"We want to have insight from as many residents as possible as we move forward," explained Pat Gordon Terrebonne Parish Consolidated Government's Planning and Zoning Department. "Our consultant team is currently finalizing details regarding how the plan will be developed based on community input. One important factor is making sure that residents stay informed. We want to make sure everyone has a chance to receive updates and offer additional suggestions."

The communitywide kickoff of the comprehensive planning process is set for May 16<sup>th</sup> at 6:00 pm at the Terrebonne Civic Center. Residents are encouraged to attend to find out more about the steps the parish is taking to plan for its future in a sustainable way. In addition, community residents can learn of upcoming events related to the master plan in a number of ways:

- 1) Electronic updates will be sent to all those wishing to be on the e-notification list;
- 2) The project website will be fully operational by May 1 at [www.tpcg.org](http://www.tpcg.org);
- 3) Flyers and newsletter updates will be shared with area churches, businesses, libraries and other community organizations to allow the information to be spread more fully into the area;
- 4) Stay updated through Facebook at Vision 2030: Terrebonne Parish, and
- 5) News organizations are asked to assist in sharing information.

The consultant team is launching an initial outreach effort to open the process to as many residents as possible. Community residents or organizations who are interested in being kept informed during the process are encouraged to call 873-0560 or email the team at [masterplan@tpcg.org](mailto:masterplan@tpcg.org) to be added to the communication list, and to provide the team with more information about the best ways to keep the community informed.

**LETTER TO CHURCHES**

April 27, 2011

Dear Pastor,

I am writing to request you include information in your church service announcements about an upcoming community meeting for the Vision 2030: Terrebonne Parish Comprehensive Plan Update process.

On May 10<sup>th</sup> at 6:00 p.m. at the Terrebonne Civic Center, the Terrebonne Parish Consolidated Government will conduct a community meeting to give information about the steps the parish is taking to plan for its future in a sustainable way. Parish President Michel Claudet, members of the Houma-Terrebonne Regional Planning Commission and the Vision 2030 Steering Committee will be in attendance to interact with the public and the consultant team at this event.

In addition, community residents can learn of upcoming events related to the master plan in a number of ways by signing up to receive:

1. Electronic updates through email;
2. Through website at [www.tpcg.org](http://www.tpcg.org);
3. Flyers and newsletter updates to community organizations; and
4. Facebook notices at "Vision 2030: Terrebonne Parish"

The consultant team is launching an initial outreach effort to open the process and allow YOUR voice to be heard. If you are interested in being kept informed during the process, please call 873.0508, Facebook "Vision 2030: Terrebonne Parish" or email [masterplan@tpcg.org](mailto:masterplan@tpcg.org) to be added to the communication list, and to provide the team with more information about the best ways to keep the community informed. This is the best way for you to be on the front lines of this process.

Enclosed, you will find copies of the flyer. If you need additional fliers or should have further questions, please contact Risa Mueller, Outreach Manager at (225) 768-9000 or by email at [risa@franklinindustries.net](mailto:risa@franklinindustries.net).

Sincerely,

*Risa Mueller*

**How will Terrebonne look in 2030?**

By Naomi King  
Staff Writer

Published: Monday, May 1, 2011 at 6:42 a.m.

**HOUMA** — You can help plan Terrebonne Parish's retail areas, neighborhoods, parks and roads for the next 20 years as part of an update to the parish's long-term vision for development.

The Terrebonne Master Plan aims to be a guideline for planning housing, drainage, sewers, transportation and land use through the year 2030. But to make sure the plan will last and reflect the community's needs for the next 20 years, officials need residents' input.

"This plan is not meant to be something the parish develops on its own," said Rita Mueller, vice president of Franklin Industries, hired by the parish to conduct public hearings. "It's meant to be developed with residents."

The first meeting for residents to learn about the planning process will be at 6 p.m. May 16 at the Houma-Terrebonne Civic Center, 346 Civic Center Blvd., Houma.

After the May kick-off meeting, parish officials and parish-hired planners will visit residents throughout Terrebonne at eight public meetings in July and August to gather ideas, concerns and questions.

A draft plan will be made and presented to the public at another set of eight public meetings. Then the plan goes to the parish's Planning Commission and the Parish Council for approval, all of which could be done by spring 2012.

The current document, adopted in 2004, aims to chart local government's direction over the next two decades and consists of 165 strategies. None of the recommendations are mandated, but local government officials use them to plan roads, housing, drainage systems and other public-works projects.

The parish began updating the master plan in 2009 to incorporate changes in population and community needs, all of which were impacted by the 2005 and 2008 hurricanes. Some public meetings were held over the last couple of years, but this round will be the final push before a plan is adopted.

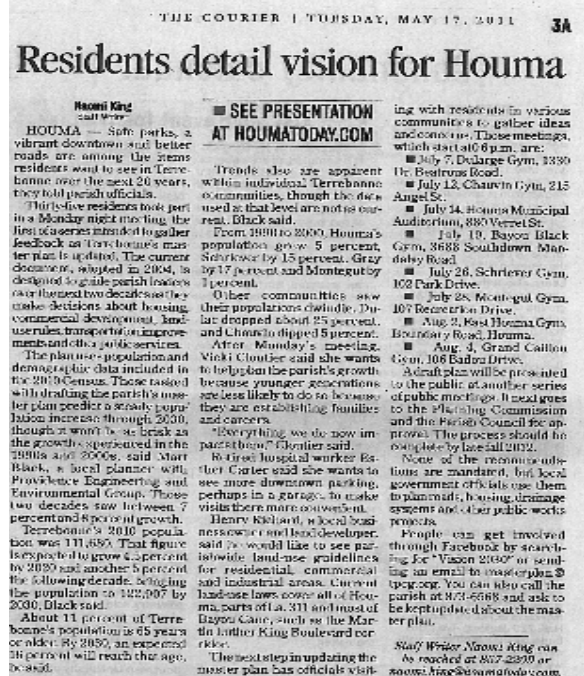

One of the main focuses in the plan is an emphasis on keeping the parish resilient, said Terrebonne Planning and Zoning Director Pat Gordon.

"We need to concentrate our planning efforts on developing a community that can withstand a storm, that can bounce back after a hurricane," Gordon said. "It's not more regulations. It's just building smarter, building higher, and understanding we are a coastal community and we can't build like Shreveport or Dallas."

One policy out of the current master plan is the practice of considering enacting zoning, or land-use rules, in an area only after it is 90 percent developed. Gordon said that policy will be reviewed.

"That doesn't mean we're going to zone the parish, though," Gordon said.

Zoning designates individual pieces of property for commercial, residential or

**Additional outreach efforts included:**

- Chamber involvement to share information with area businesses
- Email to parish employees alerting them of project and meeting
- Contacts to area organizations to share information about planning process

## ENGAGEMENT EXERCISES

Franklin's team worked closely with the project leaders to assure that interactive opportunities abounded at each public meeting. The kickoff meeting included a **visioning exercise** utilizing the postcards to offer residents an option to discuss their concepts of a successful future for Terrebonne Parish. Participants shared those concepts with the group during the meeting.

These visioning postcards were used to promote the Round 1 meetings also. Copies of the submitted postcards can be viewed in Appendix A at the end of this planning document. All other appendices will be found there as well.

### Round 1

**July 7 – August 4, 2011**

**8 Venues Distributed Across Parish**

**6:00 pm**

**90 attendees**

While public schools were out during the meeting timeframes and therefore flyer distribution through schools was not an option, the project team developed a number of alternative efforts.

Prior to the Round 1 meetings, Franklin Industries (Franklin), strategically implemented several promotion methods to engage the surrounding residents and business owners potentially affected by this proposed project. Promotions of the meeting included the following:

**OUTBOUND COMMUNICATIONS**

Item	Details
Press Release	Houma Daily Courier notified of information, reminded weekly of upcoming meetings and encouraged to attend meetings. Reporter attended at least one meeting.
Robocalls	All community members listed on database, culled out by specific area of parish to receive area-specific meeting reminders by phone
Facebook ads	Ads placed to pop up on Facebook pages of people within Terrebonne Parish reminding them of master plan process and meetings
Church Letters	Letters and flyers sent directly to pastors across the parish with items for inclusion in church bulletins and for use in pulpit announcements
Flyers at Parish President's Town Hall Meetings	Additional flyers were provided to Michel Claudet's office for distribution during his Town Hall meetings just prior to the master plan meetings
Website postings	Website at <a href="http://tpcg.org">tpcg.org</a> was updated with new meeting information and presentation materials
Facebook postings and growth	Facebook updated with meeting reminders and event-specific invitations sent. Robust outreach done to raise the number of Facebook friends to over 1,000. See Appendix D for online comments received.
Email notifications	Full database received information about upcoming meetings, as well as electronic version of flyer to share with friends.

HOUMA – As the planning team for the Terrebonne Parish Vision 2030 Comprehensive Plan begins its work, input from community residents is needed to make sure the plan is headed in the right direction.

Residents are encouraged to share insights about their neighborhood's assets and issues in eight meetings set for Summer 2011. The community workshops are taking place across the parish to find out what residents and business owners identify as the top priorities are for improvements in areas near them. These priorities will inform the planning team's approach to neighborhoods and specific topics, such as infrastructure investments, housing policy, transportation, and parks. Residents are encouraged to attend the workshop that is most convenient to them to learn about recent population and infrastructure changes, and to share their thoughts on future priorities – especially as they relate to sustainability and resiliency for the parish.

The Vision 2030 planning process is expected to take approximately 12 months, with two major rounds of community meetings throughout the parish. Once strategies are developed based on this summer's meetings, those strategies will be brought back to citizens for review. The citizen input-infused comprehensive plan will then be utilized as a guiding force in future decisions made by Terrebonne Parish Consolidated Government and the Terrebonne Parish Planning and Zoning Department, allowing development and zoning to flow in a manner aligned with the community's needs and desires.

Workshops include:

The Vision 2030 team held a communitywide workshop on May 16th in Houma and has steadily been receiving requests from residents to stay informed, with Facebook and email notification requests from nearly 300 people to date. Community residents can learn of upcoming events related to the master plan in a number of ways:

- 1) Email [masterplan@tpcg.org](mailto:masterplan@tpcg.org) to get email updates or call 873-6565 to be added to the mailing list;
- 2) Visit the project website at [www.tpcg.org/vision2030](http://www.tpcg.org/vision2030); or

HOUMA – As the momentum for the first round of community input sessions is building, the planning team for the Terrebonne Parish Vision 2030 Comprehensive Plan has now scheduled three workshops to help focus on Houma's downtown planning needs.

Downtown business owners, land owners, community leaders and other interested residents are encouraged to participate in the downtown workshops to assist in identifying planning issues. Workshop attendees also will be asked for input on ways to capitalize on existing assets and participate in developing strategies to improve economic growth. Input from community residents is needed to make sure the downtown portion of the plan reflects the community's desires.

Three Downtown Houma Planning Workshops will be held for the convenience of attendees, who should choose the meeting most convenient to them to attend. Residents are asked to call 873-6545 to RSVP for the downtown meeting they decide to attend:

**WHERE:** Folklife Culture Center, 317 Goode Street, Houma, LA 70360  
**WHEN:** Wednesday, July 20, 11:30 am – 1:00 pm\*  
Wednesday, July 27, 11:30 am – 1:00 pm\*  
Wednesday, August 3, 5:30 pm – 7:00 pm\*  
\*Food and drinks will be provided.

Overall, the Vision 2030 planning process is expected to take approximately 12 months, with two major rounds of community meetings throughout the parish in addition to the downtown workshops. The citizen input-infused comprehensive plan will then be utilized as a guiding force in future decisions made by Terrebonne Parish Consolidated Government and the Terrebonne Parish Planning and Zoning Department, allowing development and zoning to flow in a sustainable and resilient manner aligned with the community's needs and desires.

Ideas from residents about parishwide and community-specific challenges and opportunities continue to be gathered at sessions around the parish. The following parishwide input sessions are still to be held:

Tuesday, July 19: Bayou Black Gym, 3658 Southdown Mandalay Road, Houma  
Tuesday, July 26: Schriever Gym, 102 Kelli Drive, Schriever  
Thursday, July 28: Montgat Gym, 107 Recreation Drive, Montgat  
Tuesday, August 2: East Houma Gym, 126 Boundary Road, Houma  
Thursday, August 4: Grand Calliou Gym, 106 Badou Drive, Dulac

Community residents can learn of upcoming events related to the master plan in a number of ways:

- 1) Email [masterplan@tpccg.org](mailto:masterplan@tpccg.org) to get email updates or call 873-6568 to be added to the mailing list;

**Terrebonne Parish Vision 2030 Round Two  
Community Meetings Slated**

HOUMA – As the Planning Team for the Terrebonne Parish Vision 2030 Comprehensive Plan continues its work, input from community residents is needed to make sure the plan is headed in the right direction.

Terrebonne Parish residents and business owners are encouraged to help the Planning Team finalize the plan's recommendations, goals, policies and strategies in a series of eight meetings set for Spring 2012. At these meetings, participants will be able to identify their top priorities for improvements throughout the parish. These priorities will help form the Planning Team's approach to housing policy, transportation improvements, parks and recreation, environment, and land use over the twenty-year planning period. Residents should try to attend a meeting most convenient to them to share their thoughts about the future of the parish and their priorities—especially as they relate to sustainability and resiliency for the parish.

These meetings are the second of two major rounds of community outreach meetings throughout the parish. Information received from last summer's meetings was used in the development of goals, policies, strategies, and recommendations that citizens will review during the second round of meetings. Based on information received in the spring meetings, the Planning Team will bring a draft of the plan first to the Steering Committee for review, and then to the Houma-Terrebonne Planning Commission for an extended review and public comment period. If revisions to the plan are necessary, they will be made before the plan is adopted by the Planning Commission and sent to the Parish Council for review and acceptance.

All workshops will begin at 6:00 p.m. and include:

- Tuesday, February 28: **Bayou Black Gym**, 3688 Southdown Mandalay Road, Houma
- Thursday, March 1: **Montegut Gym**, 107 Recreation Drive, Montegut
- Tuesday, March 6: **Dularge Gym**, 1330 Dr. Beatrous Road, Theriot
- Thursday, March 8: **Schriever Gym**, 102 Kelsi Drive, Schriever
- Tuesday, March 13: **Municipal Auditorium**, 880 Verret Street, Houma
- Thursday, March 15: **East Houma Gym**, 126 Boundary Road, Houma
- Tuesday, March 20: **Chauvin Gym**, 215 Angel Street, Chauvin
- Thursday, March 22: **Grand Caillou Gym**, 106 Badou Drive, Dulac

Community residents can learn of upcoming events related to the master plan in a number of ways:

February 14, 2012

Dear Pastor,

I am writing to request you include information in your church bulletin and service announcements about upcoming community meetings for the Vision 2030: Terrebonne Parish Comprehensive Plan. Please share the information below and enclosed with your congregations as often as possible in the weeks to come.

During the months of February and March, the Terrebonne Parish Consolidated Government will conduct a series of community meetings to encourage residents to discuss their thoughts on where the parish's master plan is heading. In 2011, residents were offered opportunities to share their priorities about future land use and development issues in the beginning of the planning process. These priorities have informed the planning team's approach to neighborhoods and specific topics including housing policy, transportation, parks, infrastructure investments and community sustainability and resiliency. The team will be sharing initial strategies at this second round of community meetings to ensure that what has been created so far is in line with the public's desires. Residents and business owners are encouraged to attend the workshop most convenient to share their feedback.

In addition, community residents can learn of upcoming events related to the master plan by:

1. Electronic updates through email at [masterplan@tpcg.org](mailto:masterplan@tpcg.org);
2. Through the website at [www.tpcg.org/vision2030](http://www.tpcg.org/vision2030);
3. Flyers and newsletter updates to community organizations; and
4. Facebook notices at "Terrebonne Plan"

The planning process is expected to take approximately 12 months, with two major rounds of community meetings throughout the parish. The workshop dates, times and locations are:

- Tuesday, February 28 @ 6:00 pm: Bayou Black Gym, 3608 Southdown Mandalay Road, Houma
- Thursday, March 1 @ 6:00 pm: Montegut Gym, 107 Recreation Drive, Montegut
- Tuesday, March 6 @ 6:00 pm: Dularge Gym, 1330 Dr. Beaudry Road, Thibodaux
- Thursday, March 8 @ 6:00 pm: Schriever Gym, 102 Kelsi Drive, Schriever
- Tuesday, March 13 @ 6:00 pm: Municipal Auditorium, 800 Verret Street, Houma
- Thursday, March 15 @ 6:00 pm: East Houma Gym, 126 Boundary Road, Houma
- Tuesday, March 20 @ 6:00 pm: Chauvin Gym, 215 Angel Street, Chauvin
- Thursday, March 22 @ 6:00 pm: Grand Caillou Gym, 106 Babou Drive, Dulac

On the back of this page, you will find bulletin or pulpit announcement suggestions. Also, enclosed, you will find copies of the flyer. If you need additional flyers or should have further questions, please contact Risa Mueller, Outreach Manager at (225) 768-9000 or by email at [masterplan@tpcg.org](mailto:masterplan@tpcg.org).

Sincerely,

Risa Mueller
