SPECIAL REPORTS OF CERTIFIED PUBLIC ACCOUNTANTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Parish President and the
Terrebonne Parish Council,
Houma, Louisiana.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Terrebonne Parish Consolidated Government (the Primary Government), State of Louisiana, as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the Primary Government's basic financial statements and have issued our report thereon dated June 29, 2016.

Our reports include a reference to other auditors who audited the discretely presented component unit financial statements of the Terrebonne General Medical Center, Houma-Terrebonne Airport Commission, Houma Area Convention and Visitors Bureau, Terrebonne Parish Port Commission, Houma-Terrebonne Regional Planning Commission, Houma-Terrebonne Public Trust Financing Authority, District Attorney of the Thirty-Second Judicial District Court, Clerk of Court, Assessor, Terrebonne Parish Fire Districts No. 5, 6, 7, 8 and 9, Bayou Cane Fire Protection District, Coteau Fire Protection District, Terrebonne Parish Recreation Districts No. 2/3, 3, 6, 7 and 8, Terrebonne Parish Veterans' Memorial District, Terrebonne Parish Communications District, Firemen's Pension and Relief Fund and Thirty-Second Judicial District Court as described in our report on the Primary Government's financial statements. These component units have separate boards and accounting systems for which separate reports on compliance and internal control over financial reporting have been issued by those auditors. This report does not include the results of the other auditors' testing of internal control over financial reporting and on compliance and other matters. Other component units of the Primary Government, which we have audited the discretely presented component unit financial statements, have separate boards and accounting systems for which separate reports on compliance

and internal control over financial reporting have been issued. This report does not include the results of our testing of internal control over financial reporting and on compliance and other matters that we have reported on separately.

Internal Control Over Financial Reporting

In planning and performing our audit of the Primary Government's financial statements, we considered the Primary Government's internal control over financial reporting (internal control) to determine audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Primary Government's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Primary Government's internal control. Accordingly, we do not express an opinion on the effectiveness of the Primary Government's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Primary Government's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Primary Government's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Primary Government's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Primary Government's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Bourgeois Bennett, L.L.C.

Houma, Louisiana,
June 29, 2016.

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM; ON INTERNAL CONTROL OVER COMPLIANCE;
AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
REQUIRED BY THE UNIFORM GUIDANCE**

To the Parish President and the
Terrebonne Parish Council,
Houma, Louisiana.

Report on Compliance for Each Major Federal Program

We have audited Terrebonne Parish Consolidated Government (the Primary Government), State of Louisiana’s, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Primary Government’s major federal programs for the year ended December 31, 2015. The Primary Government’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

The Primary Government’s basic financial statements include the operations of the Consolidated Waterworks District No. 1 of the Parish of Terrebonne and Terrebonne Council on Aging, Inc. as component units, which received \$972,608 and \$790,339, respectively, in federal awards which are not included in the schedule for the year ended December 31, 2015. Our audit, described below, did not include the operations of the Consolidated Waterworks District No. 1 of the Parish of Terrebonne and Terrebonne Council on Aging, Inc. as these entities were audited under separate engagements and the results of the audits on compliance have been separately reported. The component units described in Note 2 to the schedule of expenditures of federal awards, excluding those listed above, received federal awards and are not included in the schedule because these entities were audited under separate audit engagements and, in addition, were not subject to the types of compliance requirements described above.

Management’s Responsibility

Management is responsible for compliance with federal statues, regulations, terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Primary Government's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Primary Government's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Primary Government's compliance.

Opinion on Each Major Federal Program

In our opinion, the Primary Government complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2015.

Report on Internal Control Over Compliance

Management of the Primary Government is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Primary Government's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Primary Government's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of

compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards

We have audited the financial statements of the Primary Government as of and for the year ended December 31, 2015, and the related notes to the financial statements which collectively comprise the Primary Government's basic financial statements. We issued our report thereon dated June 29, 2016, which contained an unmodified opinion on those financial statements. We did not audit the financial statements of the Terrebonne General Medical Center, Houma-Terrebonne Airport Commission, Houma Area Convention and Visitors Bureau, Terrebonne Parish Port Commission, Houma-Terrebonne Regional Planning Commission, Houma-Terrebonne Public Trust Financing Authority, District Attorney of the Thirty-Second Judicial District Court, Clerk of Court, Assessor, Terrebonne Parish Fire Districts No. 5, 6, 7, 8 and 9, Bayou Cane Fire Protection District, Coteau Fire Protection District, Terrebonne Parish Recreation Districts No. 2/3, 3, 6, 7 and 8, Terrebonne Parish Veterans' Memorial District, Terrebonne Parish Communications District, Firemen's Pension and Relief Fund and Thirty-Second Judicial District Court. These component units have separate boards and accounting systems whose financial statements and accompanying schedule of expenditures of federal awards, if applicable, were audited by other auditors. Other component units of the Primary Government, which we have audited the discretely presented component unit financial statements, have separate boards and accounting systems for which separate audit reports on their financial statements and their accompanying schedule of expenditures of federal awards, if applicable, have been issued. This report on the Primary Government's schedule of expenditures of federal awards does not include these entities. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Primary Government's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance, and is not a required part of the Primary Government's basic financial statements. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects, in relation to the Primary Government's basic financial statements taken as a whole.

Bourgeois Bennett, L.L.C.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Terrebonne Parish Consolidated Government (the Primary Government)

For the year ended December 31, 2015

Note 1 - GENERAL

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Primary Government of the Terrebonne Parish Consolidated Government (the Primary Government). All federal expenditures of financial assistance received directly from federal agencies are included on the schedule, as well as expenditures of federal financial assistance passed-through other government agencies, including amounts reimbursed by state and/or local match.

Note 2 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards is presented on the modified accrual basis of accounting, which is described in Note 1 to the Primary Government's financial statements for the year ended December 31, 2015. The information in this schedule is presented in accordance with the requirements of the Uniform Guidance.

We did not audit the discretely presented component unit financial statements of the Terrebonne General Medical Center, Houma-Terrebonne Airport Commission, Houma Area Convention and Visitors Bureau, Terrebonne Parish Port Commission, Houma-Terrebonne Regional Planning Commission, Houma-Terrebonne Public Trust Financing Authority, District Attorney of the Thirty-Second Judicial District Court, Clerk of Court, Assessor, Terrebonne Parish Fire Districts No. 5, 6, 7, 8 and 9, Bayou Cane Fire Protection District, Coteau Fire Protection District, Terrebonne Parish Recreation Districts No. 2/3, 3, 6, 7 and 8, Terrebonne Parish Veterans' Memorial District, Terrebonne Parish Communications District, Firemen's Pension and Relief Fund and Thirty-Second Judicial District Court. These component units have separate boards and accounting systems whose financial statements were audited by other auditors. Separate reports were issued on Terrebonne Council on Aging, Inc., and Consolidated Waterworks District No. 1 of the Parish of Terrebonne for the year ended June 30, 2015, as required under OMB Circular A-133.
