I understand that the following are examples of documents to provide the age and value of the property, its condition, the cost of elevating the structure, and the history of damages.

- Recent appraisal/insurance valuation
- Elevation certificate
- Floor plan of the house
- Contractor estimates
- Engineered elevation plans
- Insurance information
- Road Home or ICC funding awards
- Photographs of house and property

The requirements for the applications are subject to change without prior notice. I will not be reimbursed for the cost of the elevation certificate or other services incurred in preparation for the application whether or not the Parish submits an application or the project is funded.

I understand that this is a letter to show interest in elevating my property. The elevation of this property is voluntary in nature, and I am under NO obligation to participate. I currently plan to participate in the Voluntary property elevation program should funding become available. I have the right not to elevate at any time.
