

An aerial photograph of a residential street intersection. The street curves from the top left towards the bottom right. A red horizontal line is drawn across the street, indicating the location of barricades. The surrounding area includes houses, trees, and a grassy area. A yellow text box is overlaid on the upper left portion of the image.

On the westside entrance of the tunnel at Honduras St and Division Ave, barricades will be positioned to improve the flow of traffic for public safety between the hours of 3:00 PM and 6:00 PM.
