## **Bayou Black Repetitive Loss Area Analysis Informational Meeting April 23<sup>rd</sup>**

In response to recent high water events in the Gibson/Bayou Black regions of the Parish and in conjunction with several infrastructure projects currently either under construction or in various stages of design and engineering, Parish President Gordon Dove asked the Terrebonne Parish Department of Planning and Zoning to conduct a repetitive loss area analysis for the Bayou Black area in Gibson. The intent of the analysis was to understand the flooding issues in the area, and identify ways to help reduce future flooding.

The Terrebonne Parish Department of Planning and Zoning is holding an informational meeting on **April 23<sup>rd</sup>, 2020** from **6pm to 8pm** over **Zoom**, an online conferencing service.

The Public may view or listen to the meeting on video webinar or teleconference conducted by Zoom. **The nine-digit Webinar ID for this meeting is 339 337 569.** There are two ways to join the meeting:

- A. View the Meeting from a PC, Mac, Android, or iPhone device.
  1. Enter this link into your browser to join the webinar:  
<https://zoom.us/j/424742037>.
  2. When prompted, enter your name and email address.
  3. Click "Join" or "Join Webinar."
  4. The meeting should automatically download and launch.
  
- B. Listen to the Meeting from any mobile or wired touchtone telephone.
  1. Dial 1-346-248-7799.
  2. When prompted, enter the Webinar ID 424 742 037.

At the meeting, we will review the draft report. We will encourage residents to provide feedback on the findings, and revise the report to include the feedback following the meeting. We will also provide updates on upcoming projects planned for the area. If you are a resident of the area interested in the analysis, or in providing feedback for the analysis, please feel free to attend the virtual meeting.
