Parish President Michel H. Claudet recognizes that there is much going on in Terrebonne Parish. And in continuing with his tradition, President Claudet is announcing his 3rd series of town hall meetings, to be held this summer. The meetings will be open forum style, with a brief presentation followed by a question and answer session. The individual presentations will be tailored to the concerns of each of the locales, but will address overall parish issues like quality of life, drainage, infrastructure, environmental management, and economic development. President Claudet wants all Terrebonne Parish citizens to know that we indeed face big challenges but that the only way to continue to move forward is for us to continue working together.
