

# Residential Special Trades Contracting Opportunity

## Terrebonne Parish Consolidated Government

### Department of Housing and Human Services

The Community Development Division of the Terrebonne Parish Housing and Human Services Department is updating its Owner-Occupied Housing Rehabilitation Program's [Bidders List](#) and is currently soliciting contractors for the following trades to participate in the program:

- Roofing
- Electrical
- Plumbing
- HVAC
- General Carpentry

Contracting firms placed on the [Bidders List](#) will be afforded opportunity to bid on projects involving the rehabilitation of residential structures owned by private individuals residing within the jurisdiction of Terrebonne Parish. Contractors must have a valid Louisiana State Contractor License of the proper classification(s), a minimum of \$500,000 General Liability Insurance, \$250,000 Automobile Liability, and both listing Terrebonne Parish Consolidated Government as additional insured and Standard Louisiana Worker's Compensation and Employer's Liability that includes a waiver of subrogation. Contractors interested in participating in the Owner Occupied Housing Rehabilitation Program must complete a [Vendor Online](#) Application on the Terrebonne Parish Purchasing Division webpage and a [Contractor's Application](#), which can be downloaded from the Terrebonne Parish Community Development Division webpage or picked up at the following location:

Terrebonne Parish Consolidated Government  
Housing and Human Services Department  
4800 Hwy 311  
Houma, LA 70360

For more information concerning the application process or the Owner Occupied Housing Rehabilitation Program, contact the Community Development Division at 985-219-2907 or [strahan@tpcg.org](mailto:strahan@tpcg.org).

**DBE and Section 3 contractors are encouraged to apply.**
