

Drug Epidemic Awareness Walk Across America

A walk for lost family members, to stand strong for those struggling, and to help save more lives.

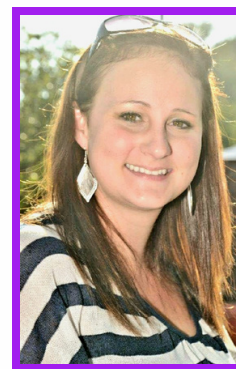

Office of Public Health staff will distribute free doses of the anti-overdose medication Narcan, free fentanyl test strips, as well as information about community resources.

Saturday, April 1, 2023

Beginning at 2 pm

Downtown Marina in Houma

8226 E Park Avenue

Sarah Pellegrin

In conjunction with S.A.R.A.H., Seeking Action Raising Awareness & Hope, remembering those who lost their lives to addiction.
