## FOR IMMEDIATE RELEASE

### TPCG SEEKING PUBLIC INPUT ON HURRICANE IDA RECOVERY PRIORITIES AND PROJECTS

The Terrebonne Parish Department of Planning and Zoning and the Department of Community Development will host two public hearings to collect input on post-Ida recovery priorities.

Community members are encouraged to attend one of the following meetings to provide valuable feedback, ideas, and concerns related to economic revitalization and infrastructure resilience:

- **Thursday, September 28, 2023, 5:30 to 7:30 p.m.**  
**Main Library, 151 Library Drive, Houma**
- **Tuesday, October 3, 2023, 5:30 to 7:30 p.m.**  
**Ward 7 Citizens Club, 5006 HWY 56, Chauvin**

Terrebonne Parish has received funding through the Community Development Block Grant – Disaster Recovery program targeted at revitalizing our economy and developing and repairing vital infrastructure. Feedback from the public is vital to recovery efforts in order to identify specific areas of concern and make suggestions that will directly impact local communities.

Representatives from several agencies will be on hand to offer updates and field questions.
