TPCG Employees Continue to Give Back to the Community

For Immediate Release

For the second consecutive year employees of Terrebonne Parish Consolidated Government collected canned goods and other nonperishable food items to be donated to needy families throughout the parish.

Over the last several weeks, departments throughout parish government competed for bragging rights to see who could collect the most food items. All told, TPCG employees donated 2,337 items which totaled 60 boxes of food. This total doubled the amount of food donated last year. Leading the way this year was the Pollution Control Department, which generously donated 502 food items.

"I am extremely proud of the employees of Terrebonne Parish Government for their generosity during this holiday season," said Parish President Michel Claudet. "The amount of food donated from our departments is a true testament of the pride and caring that TPCG employees have for our community," added President Claudet.
