Leena,

Create a work order to add some text to the image in the header on the main and other pages stating [Use of the parish seal requires written consent of the Parish President or Parish Manager. Please refer to the Privacy Statement to review a copy of the law.](#)

Then we need to place the law below on the Privacy Statement page.

Jamie said there is no hurry with this – it came up during the election and there won't be another one for a while.

Jamie called back after you left. I told her that I would get you to call her back tomorrow. I got the impression that she found a website that does what she looking for. I told her that I wanted you to talk to her so that you could tell her what we can do. Maybe get the website that she was looking at.

In the Parish Code of Ordinances, we have a law which penalizes parties using our parish seal without approval. If possible, could there be a link directing to the law when the cursor is over the Parish Seal, or if someone "right clicks" to copy? Unfortunately, the average citizen does not have any idea that the use of the Parish Seal has a cost, or that they need permission.

Here is the law:

[Sec. 1-18. - Terrebonne Parish official seal.](#)

(a)

Adoption and description of official seal. The official seal of the Terrebonne Parish Consolidated Government as adopted shall consist of a circular cartouche with the word "Terrebonne" written on the upper inside portion of the circle and the word "Parish" written on the lower inside portion of the circle. The center of the seal shall always consist of the outline of the parish of Terrebonne which contains depictions of an oil well, a sugar cane farmer and a shrimp boat. Within the top of the outline of the parish are the words "The Good Earth". A banner with the words "established 1822" runs across the bottom of the outline of Terrebonne Parish. Within the circle, the word "Houma" is printed to the lower left-hand

side of the outline of Terrebonne Parish and the abbreviation "LA." is printed on the lower right-hand side of the outline of Terrebonne Parish.

(b)

Use of official seal. Use of the official seal of the Terrebonne Parish Consolidated Government shall require the written consent of the Parish President or his duly authorized Parish Manager.

(c)

Penalties. Any person who violates the provisions of this Section shall be fined not more than five hundred dollars (\$500.00) for each violation.

(Ord. No. 6429, § 1, 6-13-01)
