Public Meeting Scheduled for Recreation Planning

Houma, La—Terrebonne Parish Consolidated Government will hold a public meeting to seek the input of residents on the long term planning of recreational facilities in Terrebonne. This meeting will be held on Tuesday October 23, 2012 at the *Houma Municipal Auditorium* (880 Verret Street). The meeting is scheduled to begin at 6:00 p.m.

This public workshop is just one step in the long-term strategic recreation planning efforts for Terrebonne Parish. The goal of the workshop is to identify the recreation needs and desires of residents. The meeting will include a short presentation from recreation design experts. Residents will be encouraged to provide specific feedback on desired programs and facilities.

Along with projecting long-term recreation needs, participants will be asked for specific feedback as it relates to the proposed Master Plan for the proposed Terrebonne Parish Community Park.
