Dear Parents:

The recent tragedy in Connecticut has had a profound effect on us as human beings and as a school system. Parents need to know that locally all law enforcement and school officials have taken this event very seriously. Today, Parish President Michel Claudet, Sheriff Jerry Larpenter, District Attorney Joe Waitz, Police Chief Todd Duplantis, Representative Gordon Dove, and I met to address this issue. Beginning today, there will be an increased daily law enforcement presence on all school campuses; new and revised security measures will be implemented; security checks will be conducted; and long-term security plans were devised.

Our thoughts and prayers remain with those whom have suffered irreplaceable loss.

Sincerely,

Philip Martin
Superintendent

PM/wcl
