

DEPARTMENT OF THE TREASURY
WASHINGTON, D.C.

November 13, 2017

Mr. Gordon E. Dove
Parish President
Terrebonne Parish
Government Tower
8026 Main Street, 7th Floor
Houma, LA 70360

Dear Mr. Dove:

We have reviewed the Multiyear Implementation Plan (Multiyear Plan) from Terrebonne Parish submitted on October 12, 2017 and deemed complete on November 6, 2017. We find that the Terrebonne Parish Multiyear Plan is complete and appears to conform to the RESTORE Act and regulations. As of the date of this letter, Treasury accepts Terrebonne Parish's Multiyear Plan, which includes two projects for \$2,700,386.04 of the funds available in Terrebonne Parish's allocation in the Gulf Coast Restoration Trust Fund (Trust Fund). The Parish can begin to submit applications through [GrantSolutions.gov](http://www.grantsolutions.gov) for Direct Component funding to support the activities included in the accepted Multiyear Plan. We encourage you to refer to the Direct Component Funding Opportunity Announcements and Standard and Program-Specific Terms and Conditions on Treasury's RESTORE Act website at <http://www.treasury.gov/services/restore-act/> as you prepare a grant application.

We will post all accepted Multiyear Plans on Treasury's RESTORE Act website. In addition, please post the Multiyear Plan on your Parish website and provide us with the web address so we can include the link on the Treasury RESTORE Act website.

Treasury's acceptance of this Multiyear Plan is not a final determination of the eligibility of activities, projects, and programs for Direct Component funding and does not bind Treasury to obligate funds from the Trust Fund. The Parish must submit applications for Direct Component funding separately through [GrantSolutions.gov](http://www.grantsolutions.gov). Treasury will review these applications to determine if the requested funding complies with the RESTORE Act and regulations, and Federal law and policies on grants. Applicants may submit applications only to seek funds already available for distribution from the Trust Fund, in accordance with allocations established under the statute.

In the future, whenever there is a material change in the Multiyear Plan, Terrebonne Parish must follow the requirements for an initial Multiyear Plan, including those for public review and comment. For more information, see the RESTORE Act Direct Component Guidance on the RESTORE Act website.

We look forward to working with you. Please send any questions to restoreact@treasury.gov.

Sincerely,

Laurie McGilvray
Program Director
Office of Gulf Coast Restoration
