

Good Harvest Community Garden Public Meeting

Keep Terrebonne Beautiful has been awarded a grant to provide a community garden to Terrebonne Parish. The proposed site is on flooded properties bought by the Parish. This is a cooperative effort to plant fruit trees and vegetables. The Pointe au Chien tribe is generously providing maintenance and insurance.

Come to a neighborhood meeting to see the draft mapping for the trees, help design the vegetable garden, learn about volunteer options, or to ask questions.

109, 111, 112 , and 113 Kennedy Street in Montegut
Saturday November 18, 2017 10-11 AM

Call KTB with any questions: 873-0107
