Houma-Terrebonne Civic Center  
346 Civic Center Blvd., Houma

To arrange for childcare or transportation please call  
**504.517.5292** five business days in advance.

# THE MOMENTUM IS BUILDING

## You share. We listen.

Join us for our next parishwide meeting where you and your neighbors will turn the vision for your community into real plans for your parish. These plans will be funded through LA SAFE and help build a stronger future for your community.

Your participation and ideas will fuel our momentum. Be involved as we sharpen the focus of our planning.
