PLEASE CHECK ONE OR MORE:

_____ ERROR. There is a manifest error in the ordinance.

_____ CHANGE IN CONDITIONS. Changed or changing conditions in a particular area or in the metropolitan area generally make a change in the ordinance necessary and desirable.

X _____ INCREASED NEED FOR SITES FOR BUSINESS OR INDUSTRY. Increased or increasing needs for business or industrial sites, in addition to sites that are available, make it necessary and desirable to rezone an area or to extend the boundaries of an existing district.

_____ SUBDIVISION OF LAND. The subdivision or eminent subdivision of open land into urban building sites make reclassification necessary and desirable.

2. LIMITATIONS ON PROPOSED AMENDMENTS:

Demonstrate that the proposed amendment meets the minimum size requirements and need for new districts as described in Section 28-201(b).

- c. If the proposed amendment would enlarge an area of existing commercial district by more than eight (8) acres;

The market information shall include a written description of the market area to be served by the development, the population thereof, the effective demand for the proposed facilities and any other information describing the relationship of the proposed development to the needs of the applicable area.
