Request to Rezone from R-1 (Single-Family Residential) to R-2 (Two-Family Residential)

1. Reasons For This Amendment

Change in Conditions

Other adjacent properties in Parkwood Place Subdivision have undergone a similar Rezoning and we are requesting that the Lots referenced in this Application be switched from an R-1 to an R-2 Zoning. Changing the zoning will allow the construction of duplexes or the placement of mobile homes with a special exception from the Houma Board of Adjustments. This will provide for more affordable housing in the community.

2. Limitations On Proposed Amendments

The adjacent properties are currently zoned R-2 (Two Family Residential) so the proposed rezone is exempt from the minimum size requirement.

3. Development Schedule

This property is already developed and just requires approval of re-zoning.

4. Market Information

N/A

5. Public Need

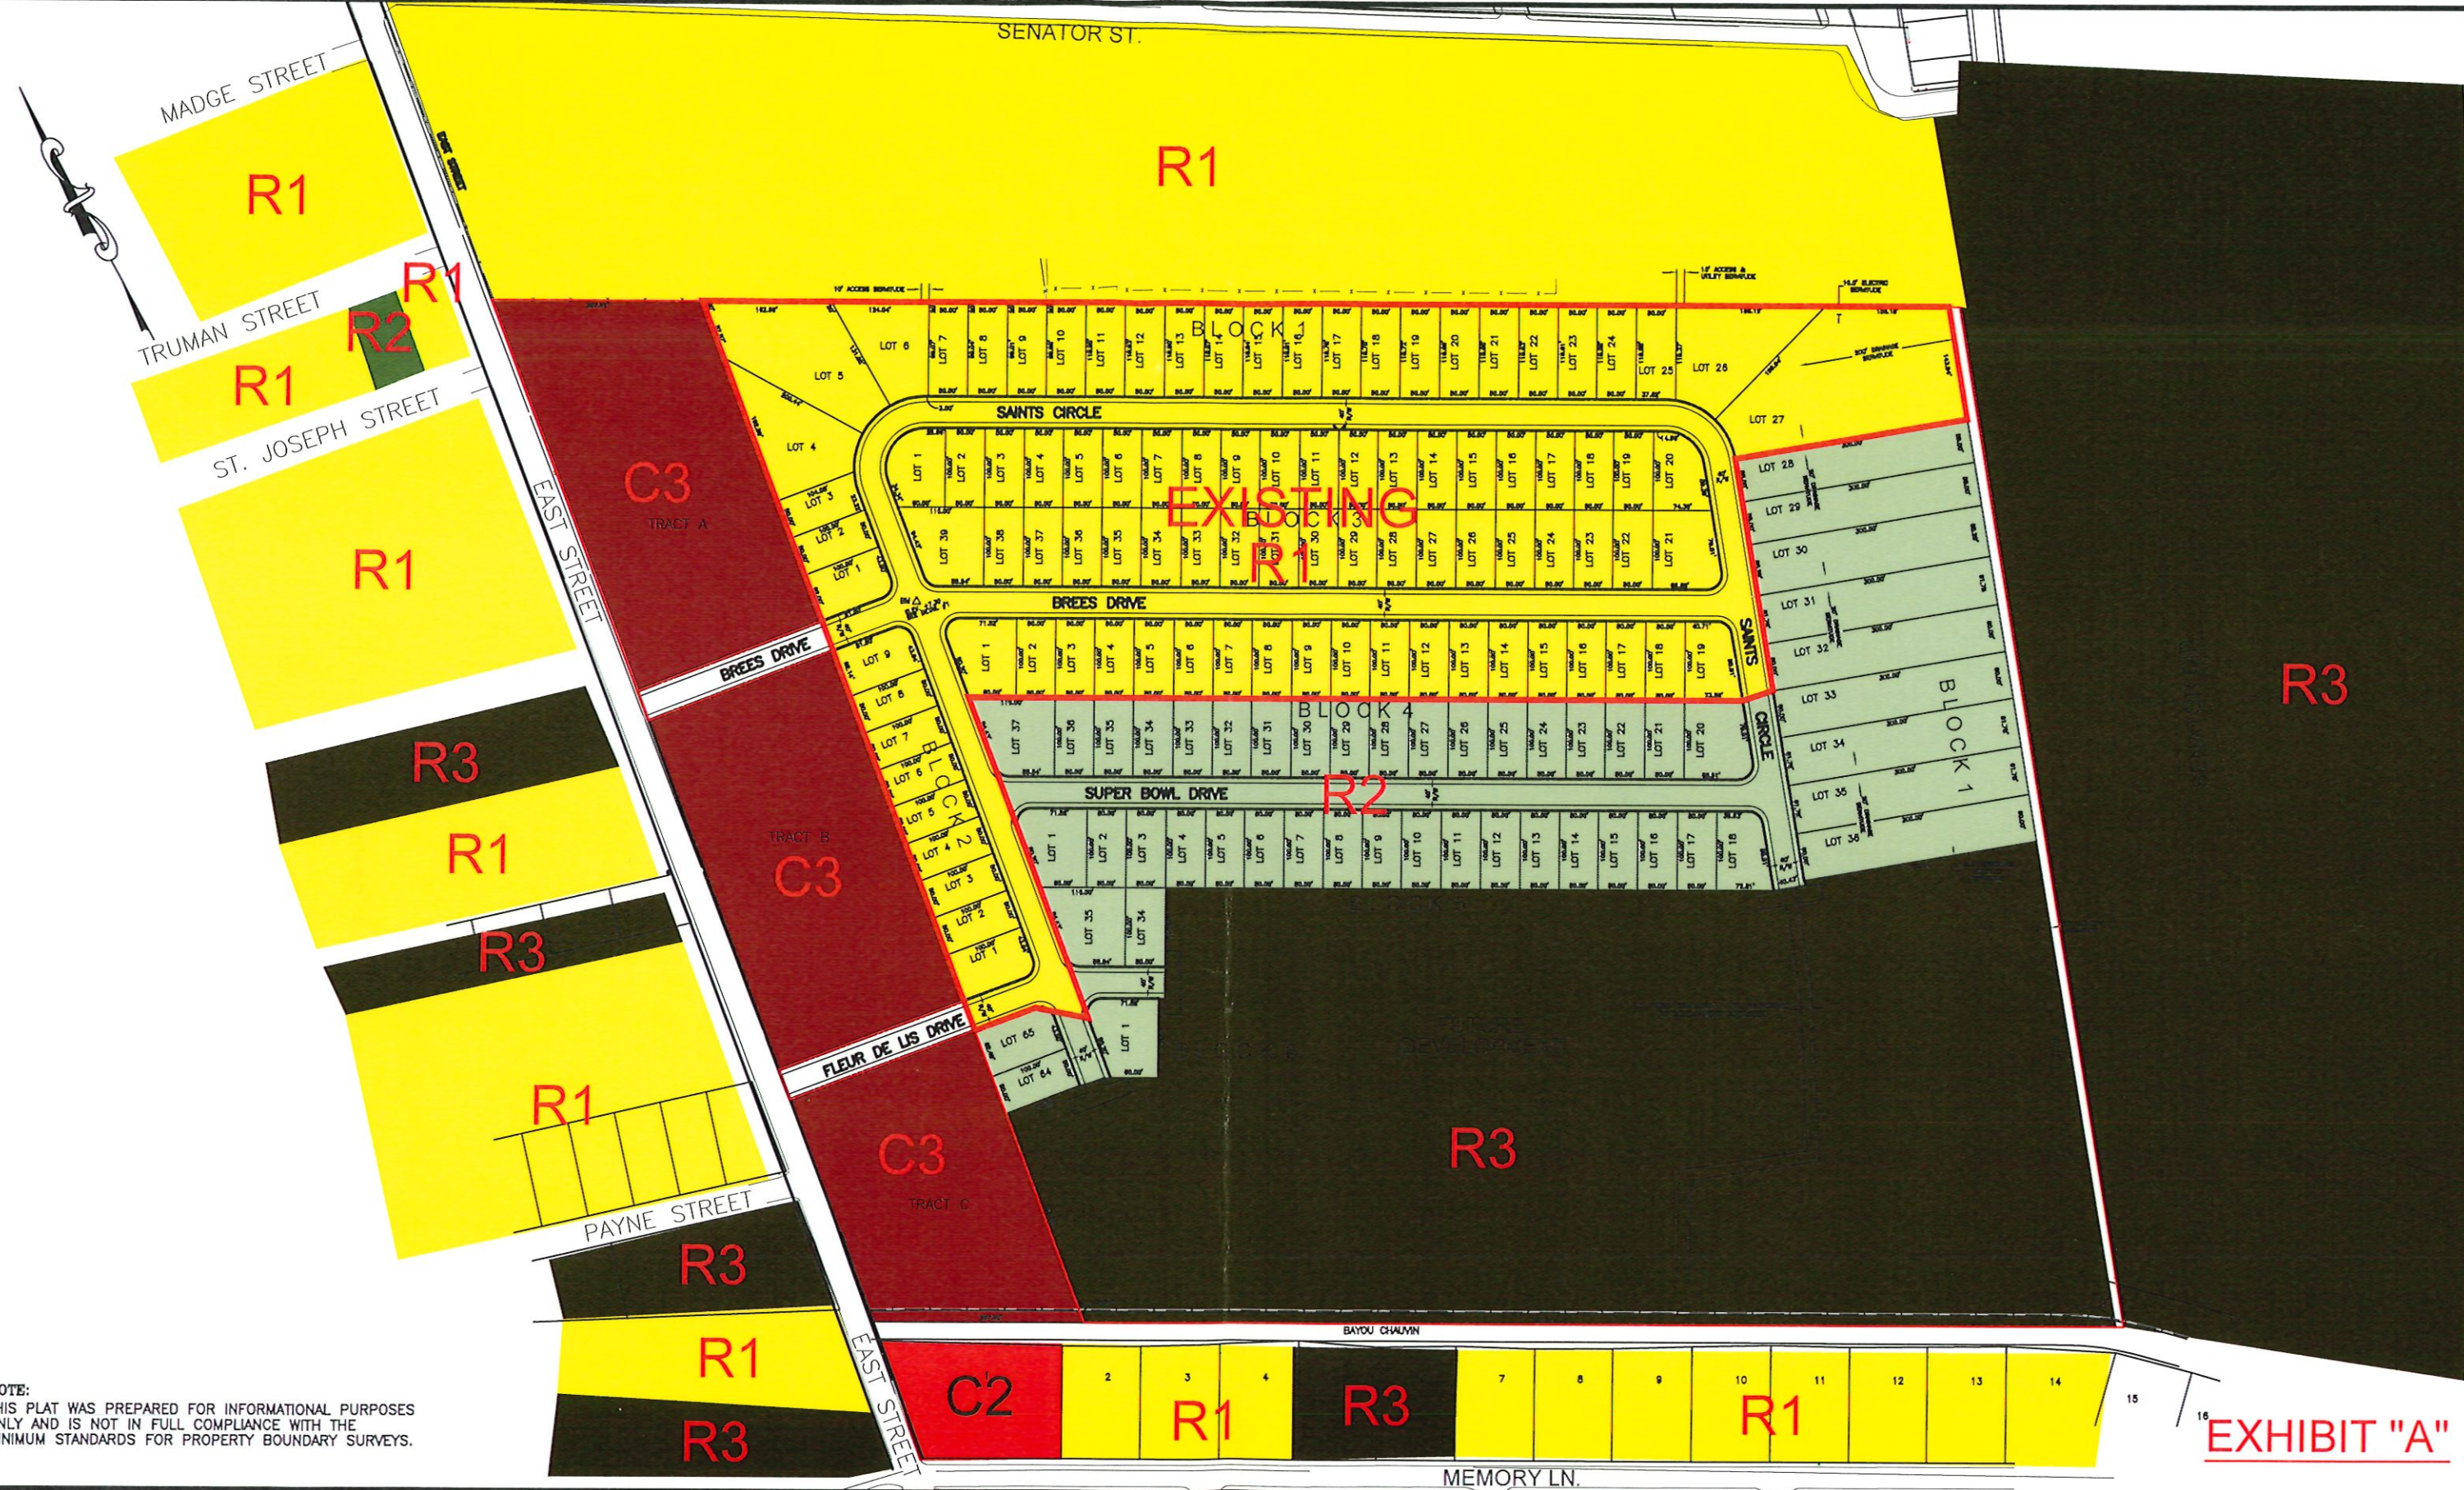

Since the destruction experienced from Hurricane Ida, there is a dire need for affordable housing to house the residents that were left homeless.

6. Effect of Amendment

The adjacent properties in this subdivision are currently zoned R-2 and this change would not alter the aesthetics of the neighborhood.

7. Error

N/A
