RESOLUTION NO. 13-179

A resolution establishing a policy relative to the management of servitudes, rights-of- way, and rights of use granted in favor of Terrebonne Parish Consolidated Government, the Terrebonne Parish Police Jury, and the City of Houma.

WHEREAS, the Consolidated Government and its predecessors acquired various servitudes, rights-of- way, and rights of use (Servitudes) for the purpose of installing and maintaining roads, drainage facilities, navigation channels, and public utilities, and

WHEREAS, the existence, use, maintenance and improvement of these Servitudes are necessary to provide public services for the benefit of the residents and businesses of Terrebonne Parish, and

WHEREAS, these Servitudes are a type of real property interest that cannot be donated, pledged, or given away except in conformance with Article VII, Section 14 of the Constitution of the State of Louisiana, and

WHEREAS, the Terrebonne Parish Council recognizes that the Parish should be good stewards in the management of servitudes, due to the vital role they play in the delivery of services to the public and in furtherance of the health, safety and welfare of the public, and

WHEREAS, the Terrebonne Parish Council further recognizes that any Servitude that becomes encumbered by obstructions, such as fences, structures, pools, signs etc. renders the enjoyment of these servitude property rights more burdensome on the public, and thus makes the delivery of public service less efficient, and

WHEREAS, the Terrebonne Parish Council believes that a policy should be adopted to clearly spell out its intentions with respect to management of servitudes.

NOW, THEREFORE BE IT RESOLVED by the Terrebonne Parish Council (Public Services Committee), on behalf of the Terrebonne Parish Consolidated Government, that the Parish President, Administration and Council refrain from permitting, and/or allowing such obstructions to be placed on, over or across public servitudes that obstruct or diminish the use, or function of the servitude, **except in cases where extreme hardship is demonstrated and such hardship is weighed by both administration and the Council against the policies set out herein, and**

NOW, THEREFORE BE IT FURTHER RESOLVED that this policy shall not apply to the issuance of permits or letters of no objection for driveways, sidewalks, drainage facilities and/or private utilities.
