Gentlemen:

The purpose of this Addendum is to address the following:

General: The following items shall be considered part of the contract documents and shall be included in same when the construction contract is executed. Changes made by Addenda shall take precedence over original documents. Any changes which may affect construction or proper installation of materials or equipment, not specifically mentioned in this Addendum, should be brought to the attention of the ENGINEER before submitting bid. QUESTIONS AND ANSWERS:

1. It has been brought to our attention that the specification package listed on Central Auction House (CAH) Website is not the correct Final Specifications. Therefore, we are hereby replacing the specification package dated 4/16/2024 labeled "Technical Specifications (4-16-2024) – Johnson Ridge Sewer Package Plant Replacement (1)" with a complete set dated 4/23/2024 labeled "Final Specifications – 2022-143 Johnson Ridge."

Thank you for your interest and cooperation in this matter and if you should have any questions or need clarification, please do not hesitate to contact me.

Sincerely,

DAVID A. WAITZ
