Such document on file with the secretary of state shall remain in effect and shall be binding upon the principal until specifically rescinded and canceled from the records of the office.

***Failure to include the appropriate signature authorization shall result in rejection of the bid as non-responsive.**

Any bidder who submits more than one bid for the same work/product(s) from an individual, a firm, a partnership, a corporation or an association under the same name or different name shall have their bids rejected.

MODIFICATION AND WITHDRAWAL OF BIDS: Bids may be modified or withdrawn by an appropriate written document duly signed and authorized (in the manner that a Bid must be executed) and delivered to the place where Bids are to be submitted at any time prior to the deadline for submitting Bids. Withdrawal of a Bid will not prejudice the rights of a Bidder to submit a new Bid prior to the Bid Date and Time. After expiration of the period for receiving Bids, no Bid may be withdrawn, modified, or explained except as provided for herein.

In accordance with Louisiana law, more particularly, R.S. 38:2214, as may be amended, bids containing patently obvious, unintentional, and substantial mechanical and clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, may be withdrawn by the bidder if clear and convincing sworn, written evidence of such errors is furnished to the OWNER within 48 hours of the bid opening excluding Saturdays, Sundays and legal holidays.

Such errors must be clearly shown by objective evidence drawn from inspection of the original work papers, documents or materials used in the preparation of the bid sought to be withdrawn. If the OWNER determines that the error is a patently obvious mechanical, clerical, or mathematical error, or unintentional omission of a substantial quantity of work, labor, material, or services as opposed to a judgment error, and that the bid was submitted in good faith, it shall accept the withdrawal and return the bid security to the bidder. A bidder who attempts to withdraw a bid under these provisions of this section shall not be allowed to re-submit a bid on the contract. Any modifications or amendments to the above stated applicable State law shall supersede this procedure.

A bidder may alter or correct an entry on the bid form by crossing out the entry, entering the new figure above or below the deleted entry, and initialing on the line of change. The crossing out of an entry and the initials shall be legibly handwritten with ink or typed. Any ambiguity arising from entries altered or corrected on the Bid Form will cause the rejection of said Bid Proposal as non-responsive.

OPENING OF BIDS: All Bids received prior to the announced closing time for the receipt of Bids stipulated in the Invitation to Bidder will be opened publicly. Bids will be read aloud, and a tabulation of the amounts of the Base Bids and alternates (if any) will be made available to Bidders after the opening of Bids.

Any Bid received after the announced closing time will be returned unopened. Any uncertainty as to whether a Bid was submitted in time will be resolved against the Bidder.

BIDS TO REMAIN OPEN: The OWNER shall act not later than forty-five (45) calendar days after the date of opening Bids to award such contract to the lowest responsible and responsive bidder or to reject all bids.

Any act of discrimination committed by the Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the contract.

CLEAN AIR ACT: Bidder acknowledges that the Clean Air Act (CAA) is the comprehensive federal law regulating air emissions from stationary and mobile sources. Among other things, this law authorizes EPA to establish National Ambient Air Quality Standards (NAAQS) to protect public health and public welfare and to regulate emissions of hazardous air pollutants.

Bidders must submit a product label, material safety data sheet and EPA registry number with the delivery of each applicable product. This information will be required on any subsequent deliveries if there is a change in chemical content or if a different product is being supplied. Failure to submit this data may cause the contract to be canceled.

DEFAULT OF VENDOR: Failure to deliver within the time specified in the bid will constitute a default and may cause cancellation of the contract. Where the TPCG has determined the Vendor to be in default, the TPCG reserves the right to purchase any and/or all products or services covered by the contract on the open market and to charge the Vendor with cost in excess of the contract price (liquidated damages). Until such assessed charges have been paid, no subsequent bid from the defaulting Vendor will be considered.

TERMINATION OF THE CONTRACT FOR CAUSE: The TPCG may terminate the contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to the contract, provided that the TPCG shall give the Contractor written notice specifying the Contractor's failure. If within ten (10) days after receipt of such notice, the Contractor has not corrected the failure or, in the case of failure which cannot be corrected in ten (10) days, begun in good faith to correct such failure, and thereafter proceeded diligently to complete such correction, then the TPCG may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice.

The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the TPCG to comply with the terms and conditions of the contract, provided that the Contractor shall give the TPCG written notice specifying the TPCG's failure and a reasonable opportunity for the TPCG to cure the defect.

date. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

TERMINATION FOR NON-APPROPRIATION OF FUNDS: Notwithstanding any provisions herein, in the event sufficient funds for the performance of this Agreement are not appropriated by TPCG in any fiscal year covered by this contract, this agreement may be terminated by the TPCG giving notice to the Contractor of such facts and the TPCG's intention to terminate its financial obligation.

CLEAN AIR ACT: Contractor hereby agrees to adhere to the provisions which require compliance with all applicable standards, orders or requirements issued under Section 306 of the Clean Air Act which prohibits the use under non-exempt Federal contracts, grants or loans of facilities included on the EPA list of Violating Facilities.
