Required to work during emergency events.

REQUIREMENTS

Valid Louisiana driver's license

In this role, the incumbent will be expected to conduct daily vehicle inspections, operate assigned equipment, and assists with various departmental duties as needed, contributing to the overall upkeep and functionality of Solid Waste facilities and public spaces.

JOB DUTIES

- Conduct daily vehicle inspections, including checking oil, coolant, lights, and tire pressure.
- Load and utilize the MGO system for daily assignments.
- Collect litter from assigned public right-of-way locations.
- Empty collected trash from the truck and clean the truck interior.
- Refuel vehicles and equipment weekly, including trucks and gators.
- Wash and maintain cleanliness of assigned vehicles and equipment.
- Perform weekly cleaning of designated public areas such as court square, downtown, and boardwalk.
- Attend monthly safety meetings and restock litter bags as needed.
- Ensure annual vehicle compliance, including inspection stickers.
- Operate backpack blowers during parades and special events.
- Monitor and top off vehicle fluids as needed (coolant, washer fluid, oil).
- Change or inflate tires and track vehicle service intervals for oil changes.
- Provide support for grapple truck operations and satellite site coverage.
- Deliver garbage carts and assist with boat launch repairs.
- Wash refurbished carts and perform grounds maintenance, including grass cutting and weed eating.
- Participate in quarterly One-on-One meetings with Supervisor.
- Complete all required annual trainings—including ethics, harassment prevention, diversity, and cybersecurity—in accordance with organizational and regulatory standards.
- Ensure all duties and responsibilities are performed with integrity, professionalism, and in good faith, consistently upholding and protecting the interests, reputation, and assets of the Parish government.
- Perform any additional task as required by Supervisor.

SKILLS AND QUALIFICATIONS

- **Leadership Skills:** Demonstrates accountability and initiative by independently completing assigned tasks and supporting team operations.
- **Time Management:** Efficiently organizes daily responsibilities and adapts to changing priorities to maintain cleanliness and meet operational demands.
- **Analytical Skills:** Identifies maintenance needs and equipment issues through routine inspections and observation.
- **Communication Skills:** Interacts courteously with the public, supervisors, and team members to ensure clear understanding and cooperation.
- **Organizational Skills:** Maintains accurate records of inspections, assignments, and maintenance activities while keeping equipment and supplies in order.
- **Technical Skills:** Must be capable of operating and maintaining vehicles, tools, and equipment safely and effectively, including use of the MGO system and basic mechanical troubleshooting.
- **Qualifications:**
 - High school diploma or GED certification preferred.
 - Minimum of one (1) year of appropriate experience in operating heavy equipment or related field.
