### **SUMMARY:**

Under the direct supervision of the Operations Supervisor, Line Maintenance Operator performs manual work of a semi-skilled to skilled nature to maintain wastewater collection facilities. Under direct supervision, work is normally performed in the field, subject to weather, traffic and environmental conditions.

### **BASIC FUNCTIONS:**

1. Performs inspections, troubleshoots and repairs wastewater pipelines.
2. Performs general maintenance on wastewater pipeline system and lift stations.
3. Must be capable of operating various testing procedures, such as video operations, smoke, and dye testing.
4. Video and record wastewater pipelines for routine inspection and emergency repairs.
5. Performs general maintenance on division buildings, grounds, and equipment.
6. Must adhere to all safety rules and regulations.
7. Must be willing to work overtime including nights, weekends, and holidays and in other areas of division as needed, including a rotation of "On-Call" duties.

### **OTHER REQUIREMENTS:**

1. Must have basic computer skills needed to operate video equipment.
2. Responsible for the operation and maintenance of the assigned video truck and associated equipment.
3. Ability to comprehend the operation of wastewater collection system.
4. Ability to read and interpret written and oral instructions.
5. Must possess a valid Louisiana Class D Driver's License (Chauffer's License).
6. Must have and maintain home telephone service for emergency call-out purposes.
7. Must be able to work indoors and outdoors to maintain collection facilities with frequent exposure to wastewater, chemicals, noise, inclement weather, and other hazardous conditions.
8. Occasional heavy lifting required, routine bending, climbing and confined space entry involved.

### **EDUCATION/EXPERIENCE:**

1. High school graduate or equivalent (GED) required.
2. Minimum of 2-years Laborer II experience required.
3. LA DHH-OPH Wastewater Collection III or higher certification required or ability to attain.
