TERREBONNE PARISH CONSOLIDATED GOVERNMENT

Request for Statement of Qualifications

Engineering Services for Bayou Terrebonne Vegetation & Debris Removal (Hurricane IDA)

The Parish is accepting Statement of Qualifications for engineering services for the removal of vegetation and debris in Bayou Terrebonne. Prepare design, construction specifications, and drawings in accordance with standard engineering principles that comply with the Natural Resource Conservation Service (NRCS) programmatic requirements through the Emergency Watershed Protection Program (EWP) for EWP Project # 5055; and/or contract/install the designed construction. Any design services will be by a professional registered engineer. Selected firm will prepare the plans, specifications, O&M Plan and Plan of Operations and QAP for the removal of vegetation and debris from Bayou Terrebonne. The TPCG through this RFQ will be identifying one firm deemed eligible to perform work within Terrebonne Parish. The selected firm will be assigned based on the strength of the firm's qualifications in designing and implementation of the construction plans for the removal of vegetation and debris through the NRCS-EWP Program.

All interested parties must submit: one (1) original (stamped "original") and four (4) copies of Qualifications along with one (1) electronic copy (USB flash drive only) in Portable Document Format (pdf). The flash drive becomes the property of the Parish. Qualifications must be received by May 24, 2022, at 2:00 pm, in order to be considered responsive. Qualifications submitted after this time will not be considered. Qualifications must be submitted in a sealed envelope and clearly marked on the outside of the envelope as " QUALIFICATIONS ENCLOSED FOR BAYOU TERREBONNE VEGETATION AND DEBRIS REMOVAL ".

Qualifications may be delivered by United States Postal Service registered or certified mail with a return receipt requested or hand delivered to:
