

SECTION A

INVITATION TO BIDDERS

Sealed bids will be received on **Wednesday, August 5, 2026**, by the Terrebonne Parish Consolidated Government (TPCG) Purchasing Division, at the 301 Plant Road Houma, LA 70363 until 3:00 P.M. CT as shown on the Purchasing Division Conference Room Clock at which time the bids shall be publicly opened and read aloud.

Bid documents are posted on <http://www.centrauctionhouse.com/rfp.php?cid=65>. To view these, download, and receive bid notices by e-mail, you must register with Central Auction House (CAH). Vendors/Contractors have the option to submit their bids electronically or by paper copy. For information about the electronic submittal process, contact Central Auction House at (225) 810-4814.

Each bid shall be either hand delivered by the bidder or his agent, or such bid shall be sent by United States Postal Service registered or certified mail with a return receipt requested or shall be submitted electronically with Central Auction House. Bids shall not be accepted or taken, including receiving any hand delivered bids, on days which are recognized as holidays by the United States Postal Service.

The mailing address for this solicitation is: **TPCG Purchasing Division**
 301 Plant Road
 Houma, Louisiana 70363

No bid received after the scheduled time for opening will be considered. Failure of the U.S. Mail to deliver the bids timely shall not be considered due cause for the scheduled time of the bid opening to be extended.

Project Name: **South Plant Oxidation Pond Cell No. 2 Levee Repairs**
 Hurricane Francine
TPCG Project No: **FRA-0006**
FEMA Project No: **815690**

Project Description: This project consists of the following in the treatment plants Cell No. 2:

- **Segment 1:** Earthen levee rehabilitation (approximately 1,525 LF) of existing levee to an elevation of +8.0' NAVD88 and installation of rip rap on the interior side slope, with the intent to reduce future erosion on the levee.
- **Segment 2:** Rehabilitation of the levee crown/access road (approximately 1,750 LF) with 610 limestone on the access road to an elevation of +8.5' NAVD88 and concrete mat installation along the interior levee side slopes, with the intent to reduce future erosion on the levee.
- **Segment 3:** Rehabilitation of the levee crown/access road (approximately 1,270 LF) with 610 limestone on the access road to an elevation of +8.0' NAVD88 and installation of rip rap on the interior side slope, with the intent to reduce future erosion on the levee.
- **Segment 4:** Earthen levee rehabilitation (approximately 1,300 LF) of existing levee to an elevation of +8.0' NAVD88 and installation of rip rap on the interior side slope, with the intent to reduce future erosion on the levee.

Bids must be submitted on the Louisiana Uniform Public Works Bid Form furnished with the Bidding Documents. A single set of Bidding Documents shall be issued at the cost of reproduction to contractors who are licensed by the Licensing Board of Contractors.

This Project shall require a Louisiana Contractors license number for **Heavy Construction and/or Highway, Street and Bridge Construction**.

Bidding Documents for this Project are on file in the office of GIS Engineering, LLC located at 197 Elysian Drive, Houma, Louisiana. Please contact Ann Schouest at bidquestions@gisy.com for any clarification or information with regard to the specifications.

A Non-mandatory Pre-Bid Conference will be held on **Wednesday, July 22, 2026 at 2:00 P.M. CT** at the office of GIS Engineering, LLC, located at 197 Elysian Drive, Houma, LA 70363.

The Terrebonne Parish Consolidated Government reserves the right to reject any and all bids in accordance with Louisiana State Bid Law.
